Free GDPR webinar series launched by IT Governance

ELY, CAMBRIDGESHIRE, UNITED KINGDOM, October 1, 2018
/EINPresswire.com/ -- Drogheda, Ireland, 28 September 2018 – IT
Governance, a worldwide data protection specialist, has
announced a new free webinar series, starting 2 October 2018,
focusing on the EU's GDPR (General Data Protection Regulation)
and what you must do to become compliant.

The first webinar of the series, 'First steps to GDPR compliance',
will help participants become compliant with a regulation that
can impose fines of up to €20 million or 4% of annual global
turnover, whichever is greater.

If you are interested in joining this webinar, click here to register
your involvement. The webinar will cover:

• Why you must comply with the GDPR and what might happen if you don't;
• The effect of the GDPR on your organisation and the transition timelines;
• The first steps in preparing for GDPR compliance;
• The technical and organisational measures your organisation will need to adopt to comply
with the Regulation; and
• Key recommendations and industry-recognised practices to help you achieve GDPR
compliance.

As a leading provider of GDPR expertise and solutions, IT Governance supports organisations of
all sizes in initiating and maintaining their compliance projects through certified GDPR training
courses, books, documentation toolkits, staff awareness, compliance tools and consultancy.
