

B2B Industrial Packaging to Showcase Affordable Power Stretch Wrapper at Pack Expo

B2B Industrial Packaging will be showcasing Signode and Fromm strapping tools and Berran's Eagle 1000B Stretch Wrapper at Pack Expo, Oct. 14-17

ADDISON, ILL., U.S., September 28, 2018 /EINPresswire.com/ -- [B2B Industrial Packaging](#) just announced that they will be showcasing Signode and Fromm strapping tools and Berran's Eagle 1000B Stretch Wrapper at Pack Expo, Oct. 14-17, McCormick Place Chicago. The company will be in the Upper Lakeside Center, Booth 8911.

With a 59-inch diameter turntable, the Eagle 1000B Stretch Wrapper delivers 250% powered pre-stretch, an up to 87.5-inch wrap height and an up to 3,500 lb. load weight: Features include:

- Semi-automatic or manual operation
- Simplified control panel for easy operation
- Automatic load-height sensor (ALHS)
- Powered pre-stretch (250%)
- Soft start/stop turntable that resets automatically to home position

The event, produced by PMMI-the global leader in packaging and processing technologies, will feature more than 2,500 exhibitors, representing more than 40 vertical markets. The 50,000 people expected to attend will be able to:

- Observe equipment in action and in person. They will leave with a clear vision of which innovations will allow them to achieve their packaging-related goals.
- Learn about trends. Walking the show floor will provide a broad perspective on all current and emerging technologies; on what competitors are doing and where trends are headed.
- Gain insights: Past attendees describe how the technology featured at Pack Expo has led to innovative ideas.
- Make connections: Attendees will touch base with vendors, meet potential new suppliers and have conversations that build mutually beneficial relationships.

“

We encourage everyone to attend and, most especially, stop by our booth. Our experts will be on hand to demo equipment and brainstorm packaging solutions.”
