

## Oups, we do it again!

*The Alternative Fashion Weekend AVANTGARDISTA is going to take place for the second time this October in Munich, Germany.*

MUNICH, BAVARIA, GERMANY, October 2, 2018 /EINPresswire.com/ -- After the huge success of the first [AVANTGARDISTA](#) in November last year, the initiators decided: The lifestyle weekend is going to be staged again this year. The combination of fashion event, [designer](#) summit, runway show and party convinced guests and designers – and the request of showroom places and runway shows by international fashion creators for the second AVANTGARDISTA was enormous.

This year there are going to be currently about 30 international couturiers, jewellery designers, boot makers and artists, who will enrich the Alternative Fashion Weekend with their creations. Besides alternative fashion for her and him, visitors can look forward to discover various accessories: Made to measure boots and gloves, adornments, jewellery and headpieces are going to complete the unique outfits. The renowned photographic artist Svan Hoffmann is going to show pieces of his illustrated book "Strenge Damen II" as an additional highlight.

Extended opening hours will enable visitors to take an even closer look than last year over the designer's shoulders and to admire their newest designs on the runway.

According to the motto "Are you ready for the next level of fashion?", the AVANTGARDISTA is happening at the same venue than last year, at the Kohlebunker, Lilienthalallee 35, Munich, Germany. This year, doors open already on Friday, October 19, 2018. The "Meet&Greet" is going to take place directly on site and not at the event hotel, as last year. The designers, models and initiators are looking forward to have a chat with the visitors in a casual atmosphere from 8pm on.

On Saturday, October 20, the showroom is going to open at 12pm, so the visitors will have enough time to see, feel and try what's offered after their heart's desire before the shows start in
