

Peer2Group partners SmartCash to provide a fiat gateway, a crypto loaded debit card & a wallet featuring SMART

GIBRALTAR, GIBRALTAR, UNITED KINGDOM, October 3, 2018 /EINPresswire.com/ -- [SmartCash](#) is an easy to use, fast, and secure cryptocurrency that supports everyday use such as business payments and daily transactions. SmartCash is pushing the limits of blockchain technology with tools that support entrepreneurship and innovation.

Peer2group is a young blockchain startup bridging the fiat and digital world through several FIAT gateways. Backed by its [Pungotoken](#) powered products, Peer2Group is developing an open ecosystem wallet which is becoming a hub for crypto services.

As a result of recent collaboration between Peer2Group and SmartCash teams, SMART has been added to Peer2.cash a fiat gateway allowing users to buy and sell SMART in Europe, South America via Bank Transfer and worldwide via Paypal with new methods added constantly.

Also now all European citizens can Order a debit card that can be conveniently loaded with SMART at [Peer2.krd](#).

Finally, Pungo wallet has added support for SMART. The wallet already supports 15+ coins, is available for download for Android users and will soon be available for iOS users as well.

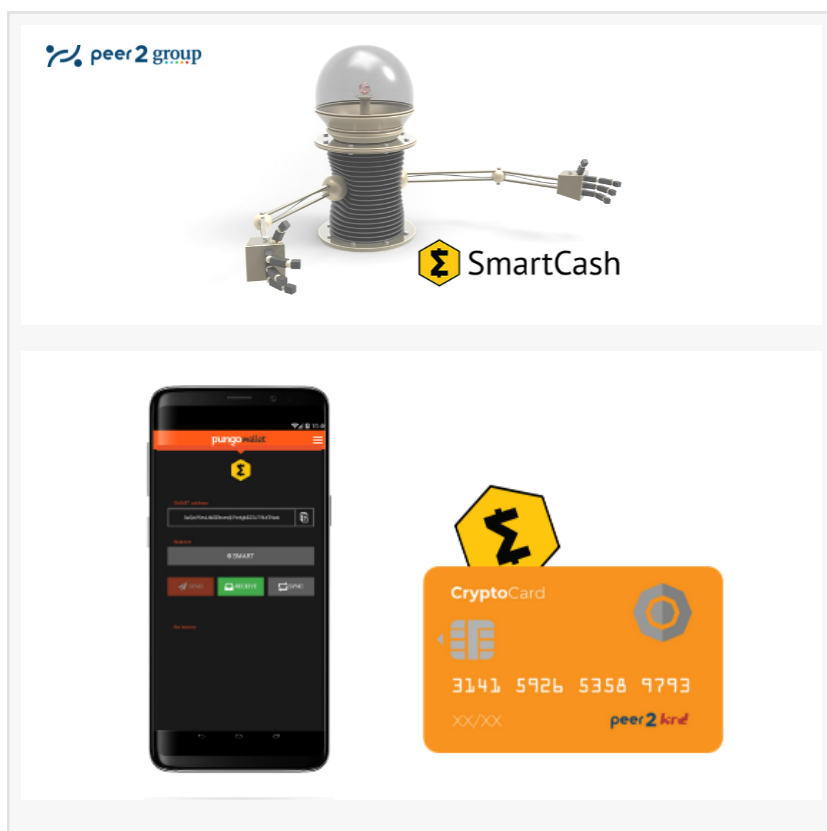

All Peer2Group's services will be integrated soon into the wallet, providing effectively with a CRYPTO SERVICE HUB while users keep in total control of their funds at all times.

Recently Peer2Group has launched its own crowdsale, called Pungo. Pungo tokens (PGT) are backed by 0.2% revenue fees collected from Peer2Group products and guaranteed by a 3rd party foundation.
