

inRiver Wins Two Top Microsoft Partner of the Year Awards for 2018

MALMÖ, SWEDEN, October 4, 2018 /EINPresswire.com/ -- [inRiver](#), the leading provider of multi-tenant SaaS-based product information management solutions, today announced today it has won two top partner awards for Sweden in 2018. The company was honored among a global field of top [Microsoft](#) partners for demonstrating excellence in innovation and implementation of customer solutions based on Microsoft technology.

Companies deploy inRiver's product information management solution in a rock solid, flexible environment to expand their business and to realize real business results."

Thor Johnson, CEO, inRiver

inRiver Wins Microsoft Azure Partner of the Year

inRiver's globally scalable, multi-tenant SaaS solution demonstrates its commitment to taking full advantage of Azure over the past 18 months," said Klas Hammar, Partner Development Lead at Microsoft. "The judges were awed at the more than 200 customers added as a result of the company's use of Azure."

inRiver Wins Microsoft's Partner-to-Partner Top Award for

the Unified Commerce Alliance

The Unified Commerce Alliance (UCA) is a joint initiative between Microsoft, inRiver, Episerver and Avensia Storefront to drive rapid time to market and enterprise value for the retail industry. During the past year, the UCA has achieved a global success that has not been achieved by any other partnership in the history of Microsoft," says Hammar.

"Our global partnership with Microsoft helps inRiver and each of our customers in many ways," said Thor Johnson, CEO of inRiver. "Our customers depend on the Microsoft ecosystem as we do. Companies deploy inRiver's product information management solution in a rock solid, flexible environment to expand their business and to realize real business results. We're extremely proud that Microsoft recognizes inRiver's success in Europe and around the world as a result."

Winners of these awards were chosen from a set of more than entrants from 150 in Sweden.
