MIAMI, FL, USA, October 4, 2018 /EINPresswire.com/ -- [Rafael Marrero & Company](#), the nation’s leading business-to-government (B2G) management consultancy based in Miami that works with Hispanic businesses to develop strategies to secure contracts with federal government clients, was just featured by the US Hispanic Chamber of Commerce ([USHCC](#)) during its “America’s Business Future” video series as a part of its celebration of Hispanic Heritage month.

“It is an incredible honor that Rafael Marrero & Company be featured alongside these distinguished Hispanic companies and entrepreneurs in the U.S. by the United States Hispanic Chamber of Commerce,” said Rafael Marrero, president and CEO at Rafael Marrero & Company. “Breaking into the federal marketplace is extremely complicated, and many qualified Hispanic businesses turn their backs on the opportunity thinking that it is impossible to lock in business. We feel that as the years go by, we are opening the doors to what many Hispanics thought impossible to accomplish. Being featured in the “America’s Business Future” video series is justification that our team’s hard work is paying off and that our company is headed in the right direction.”
