

Wave Advances as Best Tech Work Culture Finalist in Toronto's 2018 Timmy Awards

Wave has received awards and recognition for culture, inclusion, management, eNPS and more.

TORONTO, ON, CANADA, October 4, 2018 /EINPresswire.com/ -- Wave (www.waveapps.com) has been chosen as a finalist for this year's Best Tech Work Culture category, in the third Annual Timmy Awards, which recognizes the top workplaces for tech professionals in the Toronto area.

Wave has now been recognized by organizations including Great Place to Work, Comparably, Globe & Mail Employee Recommended Workplaces and Canada's Best Workplaces, for culture, inclusion, management, eNPS and more.

"Wave's tremendous growth and innovation are due to the amazing work of the Wave team, and the fuel behind that work is our culture," says Ashira Gobrin, Wave's SVP of People & Culture. "We are committed to providing a work environment and resources to our amazing Wavers, that help them develop their skills, grow, and do the best and most exciting work of their careers."

"It is an honor to celebrate the companies who are striving to better the lives and workplaces of their tech teams," says Mandy Walker, Director of Marketing at Tech in Motion. "As the event series grows each year, we are excited to celebrate the diversity, innovation and growth in the community - which we recognize is represented by these finalists whether or not they walk home with an award."

Recognition from the Timmy Awards follows other awards Wave has received in the past year for growth, innovation and culture, including:

- Growth 500
- Deloitte Fast 50
- Deloitte North American Fast 500
