Brady Bunte- Cabo San Lucas Fishing Tournament

LAGUNA BEACH , CA , USA , October 5, 2018 /EINPresswire.com/ -- [Brady Bunte](#)- Cabo San Lucas Fishing Tournament

The [Los Cabos fishing tournament](#) will return to Cabo San Lucas this month for its 38th year of historic tournament fishing. This year will be a very special year to remember as it is be the first year since its founder has passed.

It all started back in 1981 and the tournament has grown from six teams with a purse of \$10,000 to more than 160 teams with several millions of dollars on the line. In 2006 the Los Cabos had its largest overall cash payout of \$4,165,961. This was, and still remains, the largest payout in sportfishing history!

The Los Cabos Fishing Tournament changed my life. I have fished the tournament every year since 2001 with the exception of only missing 2 years, 2016 & 2017. I won 1st Place in the Los Cabos in 2003 and I was the first angler to break the million dollar mark for the highest tournament payout in excess of \$1,000,000. I held the world record for the single highest payout on a Blue Marlin from 2003 to 2017. The marlin weighed 565lbs. I also won 2nd place in 2001 with a 465lb Blue Marlin. Our

fishing team even caught the attention of Wall Street... see [“CNN Money- Big Marlin, Big Money, Brady Bunte”](#) “One business owner’s idea to make extra money for his fuel dock has grown over the past 25 years into a \$4 million, world-class fishing tournament. So, as you can imagine I am very excited this year after taking a 2 year break to get back into the fighting-chair and to break some more fishing records.

This year’s tournament is expected to exceed 150 fishing teams and the total purse to exceed \$4 million dollars.

It is hard to describe if you’ve never experienced it. It’s five days of organized chaos with top fishermen from all over the world and full of hard-core excitement. With the beautiful and lively city of Cabo San Lucas as the backdrop, thousands of people crowd the marina walkways to shop, party and watch huge fish being weighed in at the scales in front of the Puerto Paraiso Entertainment Plaza. This is a once in a lifetime experience you’ll never forget, whether you take home memories or millions!
