

# Globalsat Group and N-Sat have agreed to form a strategic alliance for the creation of a new Caribbean division

*Globalsat Group and N-Sat have agreed to form a strategic alliance for the creation of a new Caribbean division focused on mission-critical satellite services*

SAN JUAN, PUERTO RICO, October 5, 2018 /EINPresswire.com/ -- Globalsat Group and N-Sat Corporation are

pleased to announce the signing of a strategic alliance through which N-Sat Corporation becomes a member of the Globalsat Group, a leading consortium and industry-wide leader in Mobile Satellite Service (MSS) and Fixed Satellite Service (FSS) throughout the western hemisphere.

“

Our friends at N-Sat were instrumental in the rapid provision of emergency satellite communications services when Hurricane Maria hit Puerto Rico last year”

*J. Alberto Palacios - CEO  
Globalsat Group*

The agreement increases the reach of Globalsat Group, the first Pan-American mobile satellite service provider, offering current and future satellite service customers with an enhanced local presence in Puerto Rico and increasing the consortium's value in the field of custom mission-critical solutions.

As part of this agreement, N-Sat President and founder Noemi Perez joins the Globalsat Group and will lead the Globalsat Caribbean division. Mrs. Perez has extensive experience in technology entrepreneurship, emergency and contingency planning.

Through this agreement, Globalsat Group, the MSS provider with the highest growth in Latin America, once again increases its leadership position and consolidates itself as a complete turnkey satellite service provider throughout the western hemisphere.

“By becoming part of the Globalsat Group, N-Sat will now be able to offer its customers a wider portfolio of products and services and better serve them when the need arises. The N-Sat team will continue to deliver best-in-class services to current customers while enhancing Globalsat's expertise,” said Noemí Perez.

Globalsat Group CEO J. Alberto Palacios said: “Our friends at N-Sat were instrumental in the rapid provision of emergency satellite communications services when Hurricane Maria hit Puerto Rico last year. We immediately realized that our shared vision and customer-oriented philosophy were a perfect match, and therefore we now take this potential to the next level, by integrating our operations we continue to increase our global presence as well as increase our overall value in the satellite industry.”
