LOS ANGELES, CALIFORNIA , U.S., October 16, 2018 /EINPresswire.com/ -- LOS ANGELES

–Producer/Singer/Songwriter [Lisa Dawn Miller](#) –daughter of famed Motown songwriter, Ron Miller –is launching a new website with three original songs, “It’s My Turn to Fly,” “Summer Loving” and “Here We Go.”

“One of my favorite stories is Hans Christian Andersen’s ‘The Ugly Duckling,’ Miller says. “There are a lot of messages in it but what I always took from it, and still do now, is the moment the ugly duckling realizes he is a beautiful swan. Although many will criticize and bully you and would have you believe you don’t fit in, no one can hurt you. If you believe in yourself and look around, you will quickly realize that it’s hard to be understood and accepted as a beautiful swan when you’re swimming in a lake full of ducks,” Miller continued.

“‘It’s My Turn to Fly’ was inspired by that incredible moment of self-empowerment when you realize that you are amazing and strong, as you prepare to spread your wings and take flight – and all of the excitement, wonder, fear, question, responsibility and triumph that goes with it,” Miller said. The new single is available on iTunes, Amazon, and Spotify and at Miller’s new website, www.lisadawnmiller.com.
