This month, be a part of "A Bewitching Murder" murder mystery dinner. Based off of the hit tv show, Bewitched, Fishers puts their own modern spin on the show and elevates it with the element of a murder mystery. The dinner show features all classic characters including Darren, Samantha, Mother, and Uncle Arthur.

The murder mystery dinners are highly interactive, so if you're attending for a special event like a birthday or

bachelorette, be sure to let the theater staff know beforehand for special shout outs. You can also order a customized cake for whatever you are celebrating to amp up your experience.

Purchase tickets online on the [Fishers website](#) for the specific date you plan on attending to ensure your seat and entree choice is locked in. Tickets are \$55.99 and include taxes and service

charges in the price. You must choose your entree order at the time you purchase your tickets online.

All guests have a choice of chicken, sirloin, flounder, or eggplant parmesan with specific side dishes for each choice. A salad and freshly baked bread is also a standard part of the dinner experience. For dessert, you can look forward to apple cake and vanilla ice cream topped with apple topping and whipped cream.

On Friday's, the doors open at 7 pm and the show begins at 7:30 pm. On Saturday's, the doors open at 6:30 pm and the show begins at 7 pm. You will be able to pick up your tickets at the front desk before getting to your seat.

"It's fun for everyone," said Pavlis. "The guests, staff, and theater workers all enjoy the show together which makes it an all around amazing experience!"
