

# Lansdale Dentist Welcoming New Patients

*Affordable Dental Solutions has just opened its newest location in Lansdale, PA.*

LANSDALE, PENNSYLVANIA, UNITED STATES, October 30, 2018 /EINPresswire.com/ -- With its fifth location in eastern Pennsylvania, Affordable Dental Solutions is bringing affordable tooth replacement options to Lansdale. The Lansdale dentist is currently accepting new patients.

[Dental implants in Lansdale](#) are among the most affordable in Montgomery County. A single dental implant from ADS is \$2,000, which includes both the abutment and crown. Dental implants, which can replace one missing tooth or several teeth, are among the most popular missing tooth solutions.

"Dental implants feature a natural look and feel that patients love," says Dr. Catherine Alger, [dentist in Lansdale](#). "They can't wait to show off their new smiles!"

In addition to dental implants, [dentures in Lansdale](#) are also available. Full dentures are \$650/arch, partial dentures are \$750/arch, and implant-retained dentures cost only \$2,999 when two dental implants are added to a patient's full lower dentures.

To learn more about the affordable dentures and dental implants ADS has available, request an appointment with the Lansdale dentists by visiting <http://www.affordabledentalsolutions.com/request-appointment/>. New patients are currently being accepted in Lansdale, as well as in ADS's four other locations in Easton, West Chester, Pottstown, and Reading.

About Affordable Dental Solutions: Based in Eastern Pennsylvania, Affordable Dental Solutions is a provider of full dentistry services. For nearly a decade, Affordable Dental Solutions has offered patients procedures such as dental implants, crowns, and dentures at rates much lower than area competitors by utilizing state-of-the-art equipment and by negotiating discounts with implant manufacturing companies.
