Full report of global fiberglass fabric market is available at <https://www.omrglobal.com/industry-reports/fiberglass-fabric-market/>

Fiberglass market shares a synergic relationship with numerous industries including defense and aerospace, construction and electrical. As these industries continue to grow, the demand for fiberglass market is expected to increase during the forecast period. Rapid urbanization and growing standards of living created the demand for proper housing facilities. As a result, the demand for fiberglass fabric has increased significantly. Moreover, the demand for energy efficient materials has also increased significantly due to building efficiency laws. Fiberglass fabrics stand out to be a perfect alternative as a green, energy efficient and sustainable material for use in numerous industries. All such factors are expected to

“

Increasing emphasis towards green building initiatives to promote the growth of fiberglass fabric market over the forecast period”

*OMR Analyst*

promote the growth of the market over the forecast period.

The market on the basis of geography the market has been divided into North America, Asia-Pacific, Europe, and Rest of the world. APAC is expected to witness significant growth due to rising demand for fiberglass fabrics in the region. This can be attributed to the increasing

demand as the infrastructure facilities are increasing across Asia-Pacific region. Moreover, the adoption of fiberglass fabric technologies in North America and Europe has also increased at a significant rate, this is expected to be a prime factor which is expected to promote the growth of the market in these regions. Some of the key market players contributing in the market include Hexcel Corporation, Tah Tong Textile Co. Ltd., Owens Corning, JEC Group Co., Ltd., SAERTEX GmbH & Co., Kg., Taiwan Electric Insulator Co. Ltd. and Saint-Gobain S.A.

The report covers:

Comprehensive research methodology of global fiberglass fabric

This report also includes detailed and extensive market overview with key analyst insights.

Exhaustive analysis of macro and micro factors influencing the market guided by key recommendations.

Analysis of regional regulations and other government policies impacting the global fiberglass fabric market.

Insights about market determinants which are stimulating the global fiberglass fabric market.

Detailed and extensive market segments with regional distribution of forecasted revenues.

Extensive profiles and recent developments of market players.
