

Integra Certified Document Destruction Achieves Certification

Integra Certified Document Destruction Achieves Recertification from the National Association for Information Destruction (NAID)

ELKHART, INDIANA, UNITED STATES, October 11, 2018 /EINPresswire.com/ -- Integra Certified [Document Destruction](#) ("Integra") is proud to announce that it has met or exceeded all requirements set forth by the National Association for Information Destruction ("NAID") to continue to be rated as an AAA Certified document destruction leader in its industry.

This top-level endorsement by NAID is very highly regarded, as it requires a high degree of diligent effort to achieve and maintain an AAA certification rating. To obtain and keep its AAA rating, the Integradocument destruction process and audit methodologies must both

“

“It’s rewarding to provide peace of mind in an ever-changing time of identity theft.”

”

Chris Himes

demonstrate and prove that the resultant document shredded particle size meets or exceeds the certification specifications produced by the commercial grade destruction equipment used in Integra’s trucks and its state-of-the-art destruction facilities.

“It’s rewarding to provide peace of mind in an ever-changing time of identity theft.” says Chris Himes, the Vice President of Integra. “Integra can absolutely guarantee that sensitive information contained in document materials will be sufficiently destroyed and never seen by

anyone after processing.”
