

Vantage Agora Hosts 3rd Annual Operational Excellence Workshop

Vantage Agora hosts their 3rd annual Operational Excellence (OX) and Technology Conference on October 17-18th at Cleveland's Metropolitan at the 9.

CLEVELAND, OHIO, UNITED STATES, October 11, 2018 /EINPresswire.com/ -- By collaborating with industry leaders and technical experts, Vantage Agora will share in their mission of providing Operational Excellence (OX). The [OX Workshop](#) is a chance to receive cross-sectored advice from industry experts in the fields of Technology, Healthcare, Insurance and more, as they share their business acumen and use their combined knowledge to tackle business challenges.

Vantage Agora hosts their 3rd annual Operational Excellence (OX) and Technology Conference on October 17-18th at Cleveland's Metropolitan at the 9.

This year's speakers range from NBA Hall of Famer Dan Issel, 5th ranked all-time points scorer for the ABA/NBA, to President and CEO of Signature Health, Joseph Steier. The event is split into 2 tracks - one discussing how to best manage your team for optimal success and the other, a technology track discussing the most innovative and emerging ideas in the technological field.

“

I love working with the people at Vantage Agora. Speakers were informative and it was a great way to see what is coming next with Vantage Agora!”

Jenna Meyer - Systems Manager at Cannasure Insurance Services

In addition to the wealth of knowledge to be gained, attendees can look forward to enjoying a 1920's-themed cocktail reception on Wednesday night before the event. Thursday evening after presentations are wrapped up, guests are invited to attend an evening at Pickwick & Frolic for a Murder Mystery dinner.

Jenna Meyer, Systems Manager at Cannasure Insurance Services and a returning OX Workshop attendee states, “I love working with the people at Vantage Agora. Their
