DULUTH, GA, UNITED STATES, October 11, 2018 /EINPresswire.com/ -- ACS Group, a premier provider of IT Consulting, Engineering Consulting, Healthcare, Talent, and Workforce Management Solutions to Fortune 1000 companies globally, and GGK Tech, a recent acquisition of ACS Group, that provides technology consulting to companies globally, will be exhibiting at this year's Money 20/20 event at the Las Vegas Venetian, in Las Vegas, Nevada, October 21-24, 2018.

ACS Group is excited to play a role in exploring today's ever-evolving innovations in engineering and how we can help our clients embark further on their road to success"

*Sathyashila Muddem, Director of Innovation at ACS Group*

Money 20/20 is the perfect platform for ACS Group and GGK Tech to exhibit technology offerings to Financial Service (FinServ) firms. Attendees will have the opportunity to learn how ACS and GGK help companies reinvent themselves by architecting next-gen technology solutions in the areas of Payments, Block Chain, Mobile Banking, Advanced Analytics, Artificial Intelligence, Machine Learning, Natural Language Processing, Conversational User Interface (UI) and Robotic Process Automation (RPA).

"ACS Group is excited to play a role in exploring today's ever-evolving innovations in engineering and how we can help our clients embark further on their road to success," said Sathyashila Muddem, Director of Innovation at ACS Group. "We look forward to meeting and engaging with other industry leaders through strategic, comprehensive networking sessions."

The combination of ACS Group and GGK Tech provides attendees with deeper and broader subject matter expertise and experience across the IT solutions spectrum. Both organizations leadership are thrilled to get the opportunity to bring greater value to this year's Money 20/20 event and look forward to providing attendees information on the full scope of resources and technology services they offer to their client base.

ACS Group and GGK Tech industry innovators will be at kiosk #37 to showcase their growth, services, solutions and engage in dynamic conversations about the ever-shifting climate of the financial service industry.
