

South Florida Immigration Attorney Magdalena Cuprys introduces “Fresh Start” Flexible Billing Plans for New Clients

Flexible payment plans for legal services are a growing trend, immigration lawyer Magdalena Cuprys notes

CLEWISTON, FLORIDA, UNITED STATES, October 12, 2018 /EINPresswire.com/ -- Many people who need legal help also face financial issues. “Affording a lawyer can be difficult and stressful in many circumstances, however, Cuprys Law Offices wants to assist as many people as possible, so flexible payment plans, individually tailored installment payments, flat-fee cases, retainers, and even success-based fee options are available under certain circumstances ...,” said [Magdalena Cuprys](#), Attorney at Law. “That’s the driving force behind our new Fresh-Start Billing Plans. As everyone’s legal case is different and requires an individually-tailored strategy, so does their financial situation and circumstances; and our new Payment Plans offer our clients exactly that.” The amount of the “flat-fee” and/or any hourly billing will vary depending on the case and client. However, Cuprys Law Offices aims to be competitive and just with their Immigration Service pricing.

“We here at Serving Immigrants aim to do just that. I fully understand that not all clients are going to be able to pay all fees up front, therefore flexible payment arrangements may be made.” These will vary depending upon what is agreed to by both parties, whether it is a lump sum and then small payments after that or monthly/weekly arrangements. A Retainer Fee is a “lump sum” payment charged to commence legal services which retains the lawyer’s services and creates the underlying Attorney-Client relationship. Part of the philosophy of Cuprys Law Offices is that the Miami and South Florida community has given so much to this office and its success, therefore, our goal is to give back ...” [Ms. Cuprys](#) added. “Not everyone

will qualify elsewhere but the Cuprys Law Office is willing to work with our Clients.” Some cases may even be handled on a “Success-Basis.” This essentially means that the potential Client is not required to pay any fees to the Law Firm at the outset to commence services. The Cuprys Law

Office will determine when this possible Payment Plan applies. This may be an option for a potential client when specifically agreed upon and authorized by the Firm.

As to Initial Consultations, in most cases the Cuprys Law Firm does not charge for the Initial Consultation (depending on the case type) – and thereafter, once retained, the Initial Consultation Fee is applied and fully credited to the Client's Case Account.
