

# Dentist Offering Reading, PA Dentures, Dental Implants, and More

*High-quality, low-price dentures and dental implants available from Affordable Dental Solutions.*

READING, PENNSYLVANIA, UNITED STATES, November 1, 2018 /EINPresswire.com/ -- Affordable Dental Solutions in Reading, PA is making a fuller smile more accessible to residents of eastern Pennsylvania and western New Jersey. Both dentures and dental implants are available at prices much lower than those offered by other Berks County dentists.

Full, partial, and implant-retained [dentures in Reading](#) are available. Full dentures cost only \$650 per arch while partial dentures cost only \$750 per arch. Meanwhile, implant-retained dentures are also available from ADS for only \$2,999 when two dental implants are added to a patient's full lower dentures.

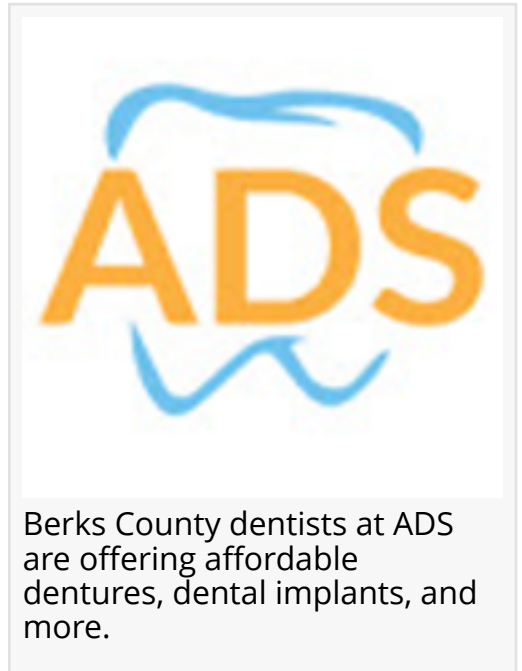

In addition to dentures, [dental implants in Reading](#) are also available. A single dental implant is \$2,000, which includes the abutment and crown. Dental implants are one of the most popular missing tooth solutions available and can be used to seamlessly replace one missing tooth or several.

"Dental implants are so popular among patients because of their natural look and feel, as well as their long-lasting results," says Dr. Michelle Bernreuther, [dentist in Reading](#).

To learn more about dental implants and dentures in Reading, request an appointment with the Berks County dentists at ADS by visiting <http://www.affordabledentalsolutions.com/request-appointment/>.

About Affordable Dental Solutions: Based in Eastern Pennsylvania, Affordable Dental Solutions is a provider of full dentistry services. For nearly a decade, Affordable Dental Solutions has offered patients procedures such as dental implants, crowns, and dentures at rates much lower than area competitors by utilizing state-of-the-art equipment and by negotiating discounts with implant manufacturing companies.
