

High-Quality Dental Implants in Reading Starting at \$2,000

Affordable Dental Solutions offers the city of Reading dental implants that are high quality and low priced.

READING, PENNSYLVANIA, UNITED STATES, October 18, 2018 /EINPresswire.com/ -- While other Berks County dentists may charge thousands for dental implants, the team of dentists at Affordable Dental Solutions in Reading strives to make sure high-quality dental care is affordable and accessible for patients.

[Dental implants in Reading](#) start at only \$2,000. This low price includes the abutment and crown.

"Dental implants are so popular because they look and feel no different than a patient's natural teeth," explains Dr. Michelle Bernreuther, [dentist in Reading](#).

In addition to dental implants, [dentures in Reading](#) are also available. Full dentures cost only \$650 per arch while partial dentures cost only \$750 per arch. Implant-retained dentures, which help stabilize existing dentures, are available for only \$2,999 when two dental implants are added to a patient's full lower dentures.

To learn more about dentures and dental implants available in Reading from ADS, request an appointment with the team of Berks County dentists today by visiting <http://www.affordabledentalsolutions.com/request-appointment/>. ADS also features locations in Easton, West Chester, Lansdale, and Pottstown.

About Affordable Dental Solutions: Based in Eastern Pennsylvania, Affordable Dental Solutions is a provider of full dentistry services. For nearly a decade, Affordable Dental Solutions has offered patients procedures such as dental implants, crowns, and dentures at rates much lower than area competitors by utilizing state-of-the-art equipment and by negotiating discounts with implant manufacturing companies.
