NEW YORK, NY, USA, October 16, 2018 /EINPresswire.com/ -- Cindy Ashton, CEO of Speaker Stardom Booking Agency, announces the launching of a new television show, "[Innovation Uncorked](#)."

["Innovation Uncorked"](#) will have Ashton taking Entrepreneurs, CEOs and business executives through a series of experiences designed to open up their creative thinking, and connect them with others at a live event of the same name. Those experiences come from Ashton's 22 years as a disruptor in the business of training CEOs and executives at many large companies.

Cindy Ashton's "Innovation Uncorked" Launches North American Tour; Premieres January 2019 on e360TV

The live events taking place during her "Innovation Uncorked" tour will be taped for presentation on the television show when it premieres in January 2019, giving executives a chance to have a moment in the television spotlight.

The first live event took place in early September. The next one takes place October 19th in Toronto, followed by six more in Las Vegas, New York City, Boston, Philadelphia, Phoenix and San Diego.

Each event starts off with a red-carpet entrance with Ashton interviewing attendees for their moment in the spotlight. Once the experience starts, Ashton draws from her background as a performing artist to teach the executive participants how create massive influence and change in their business. She will also demonstrate how they can create out of the box strategies to excite customers about their brands.

The participatory event will have executives working with each other, forging connections and learning how to share their new visions for their products and brands. Those new visions and strategies will be shown in the television show when it premieres in January.

In addition to video from each live event, each show's episode will have a weekly segment with Jeff Hoffman of Priceline and advisor to the White House and the UN. Other guests will include Scott Jech, a speaker and author who went from living in a trailer home to building a multi-million-dollar company in less than three years; Andrea Payne, an expert and consultant on how

to win in negotiations using psychology; Cassandra Bach a fertility coach from "Wanna Get Knocked Up" which knocks out women's fears to get and keep them knocked up to make their baby dreams come true. Dave Kenney and Susan Kenney, of Emergo Recovery, have revolutionized treatment with 'Actualized Recovery' - a neurological approach to life-long recovery and well-being. Ashton will also have interviews with a variety of CEOs and executives who created innovative strategies catapulting their major businesses even higher.

"Innovation Uncorked" will debut on e360TV, an on-demand, interactive streaming tv available 24/7. Through its latest proprietary technology, built on an OTT platform, e360tv is visible on 186 million screens via Apple TV, Amazon Fire, Roku, Smart TV's, smart devices, and computers.
