

The Rare Earths Investor Announces a New Website Resource for Self Directed Investors.

New, one stop Rare Earths website resource with multiple up to date content areas, blog and cutting edge forum communication tools.

KENT, OHIO, USA, October 19, 2018 /EINPresswire.com/ -- The [Rare Earths Investor](#) announces the opening of www.rareearthsinvestor.com. A website designed for self-directed investors who need access to multiple sources of up to date Rare Earths information (i.e., daily news, articles, presentations, research and company websites, etc.) all in one place, ready to assist investment decision making.

Move easily between multiple Rare Earths information sources to enrich your investment due diligence. Also, challenge your thinking with a free account to a forum designed for investors to utilize both traditional and cutting-edge communication tools. Post and reply to the Blog, and on boards focused on both the general Rare Earths sector and all the major companies.

Then, new to Rare Earths forum interaction, communicate on www.rareearthsinvestor.com with other online users in real time, via instant messaging and 'chat' room dialogue. Chat online in private with a colleague or in larger open discussion groups. You can arrange group (or private) discussions on self-selected topics; even invite a Rare Earths company representative to chat online with interested forum investors.

www.rareearthsinvestor.com is a one stop Rare Earths website, free of distracting advertisements and also offering an interactive Blog to further challenge and encourage critical thinking.

If you have a serious investor interest in the Rare Earths sector and want to add another specific resource for helping with your due diligence, then use both the free content and forum communication tools at www.rareearthsinvestor.com.
