

Hungarian National Police to Deliver Briefing at the 12th Annual Border Security Conference

SMi Group Reports: The 12th annual Border Security Conference will return to Rome, Italy on the 12-13 February 2019

LONDON, LONDON, UNITED KINGDOM, October 19, 2018 /EINPresswire.com/ -- With Hungary facing the follow border security challenges: Irregular migration, Illegal migration and the difference among those, Rising border traffic, New trends and emerging risks in border surveillance. Hungarian organisations are cooperating in international border security research and innovation and the following four projects (ROBORDER, iBorderCtrl, SMILE and BBA 2.4.2) are addressing these important issues at hand.

With this is mind, SMi Group are delighted to announce that the Hungarian National Police have just confirmed they will be delivering a briefing at this year's, [12th Annual Border Security Conference](#):

(Police Major) Dr. Székely Zoltán, National Police Research Coordinator, Scientific Council of the Hungarian National Police, Hungarian National Police, will be briefing on:

[Hungarian participation in European border security research and innovation](#) - an end-user coordinated cooperation

- A look at the organizations cooperating in international border security research and innovation in Hungary
- Current border security challenges in Hungary, a focus on irregular migration, illegal migration, rising border traffic, new trends and emerging risks in border surveillance
- Hungary's current projects and how they fit into the CONOPS, national and EU security strategy, policies and regulatory framework

The full agenda is available to download at: <http://www.bordersec.com/einpr>
