This is the seventh overall time being recognized by Cartus

BOSTON, MA, UNITED STATES, October 23, 2018 /EINPresswire.com/ -- Compass Furnished Apartments, a premier provider of fully furnished apartments throughout the Northeast, announced today that the company was awarded the 2018 Platinum Commitment to Excellence Award from [Cartus Corporation](#). The annual award is presented to relocation service providers for excellence in service delivered throughout the past year.

"With Cartus, it really is all about service and the transferee's experience. Our team's commitment to exceeding guest expectations and providing exemplary service from before booking to after move-out are evident in the receipt of this award. The Platinum award marks the highest level of achievement for service, recognizing [Cartus Global Network](#) members who obtain 95% or higher overall satisfaction levels in the area of service. These results are gathered directly from guest surveys received by Cartus following stays with a corporate housing provider. Suppliers achieving Platinum level recognition for their performance in 2018 had to perform across a number of business disciplines to receive this designation. Compass is honored to have been recognized multiple times. This award marks the fourth time Compass has achieved such status, and the seventh overall time being recognized by Cartus.

The award was received at the 18th annual Cartus Global Network Awards held in Seattle, Washington on October 15-16, 2018. Approximately 360 attendees from 170 companies and 39 different countries attended the conference. The conference, whose theme centered on "Move Ahead", recognizes the extraordinary achievements of network members in serving Cartus' clients and customers worldwide.
