- News Published on 400+ News High-Authority News Media Outlets
- Extended Business Listing Service
- Access to Social Media Managing Dashboard
- Extended Customer review notifications
- Social Detect & Engage managed service

The free BETA version of PRBrics is still ongoing, however the offer will expire soon. The team of PRBrics is advising owners interested in [small business marketing](#) services to register at <https://prbrics.com/beta/> before the BETA version expires. More detailed information on the advantages of the service can also be seen on the official page.

About PRBrics:

PRBrics' mission is to grant public visibility to your product, service and/or business, without which your success in the desired market is highly improbable. Our team understands how important it is to have stable and positive relationship with your customers, the future of your

brand depends on. One primary way to gain it is through communicating your story to public opinion leaders, such as journalists, bloggers, and social media influencers. We are here to connect you to them and spread the word! We do way more than that, though.
