

The NineHertz's CEO, Hemendra Singh Grabs the 9th Position among Top 10 Authors on CustomerThink in 2018

Hemendra Singh Grabs the 9th Position among Top 10 Authors on CustomerThink in 2018

CINCINNATI, OHIO, UNITED STATES, October 29, 2018 /EINPresswire.com/ -- Cincinnati, USA, October 29, 2018, /EINPresswire.com/ -- Having a passion to explore the strength of technologies, Hemendra spends his most of the time in researching and learning about the current trends in the IT world. Being a CEO of a global mobile app and web development company, he is well aware of the fact that to earn client's trust and offer top-notch services, it is important to be on toes to accept the latest trends and technologies in the dynamic IT sector.

Hemendra has a way to play with the words to educate and help his fellow colleagues, entrepreneurs and technology evangelists. He writes mostly on software development tops and the technologies that are the driving force in today's time. The topics he has covered since his journey as a writer are mobile app development technologies, web development technologies, trends, and technology updates in iOS app development, Android app development, and emerging app development (IoT, AR, VR, Beacon, Wearable, Cloud, etc.).

“

Also secured 1st rank in Enterprise Technology and 6th rank in Customer Analytics Categories by CustomerThink, adding another proud moment for the company”

Hemendra Singh

In an interview with Hemendra he said, “When we work in a dynamic technology environment, it is important to keep your pace with the latest changes in the technology. Because your clients and users expect only the best solutions from you.”

He added, I always want to motivate my audience and my employees because they look upon to a leader who is wise enough to understand the demand of the market. Moreover, I want to share my knowledge which I have

gained in my professional career with the new emerging entrepreneurs and startups. To help them learn about the best practices to run a business in a competitive environment.

CustomerThink is a global platform that brings together business leader from all around the world. It provides a platform where business leaders can leverage the benefits to generate a customer-centric enterprise.
