Formerly known as "Books by the Bay", the Miami Book Fair was founded in 1984 by Miami-Dade College. The team had reached their success during the 90's, when the two-day street fair grew steadily and became the largest literary festival in the country, thus acquiring its well-earned name, Miami Book Fair.

Some people see the Apocalypse as natural evolution. In Ibok's contemporary, it is drawn with great faithfulness from the Book of Revelations, written from the perspective of someone, narrating as an eyewitness from the Beginning of Sorrows to the end of the Millennium of Peace. [Time's End](#) introduces the characters of Phil Jordan and Terry.
