

Apple Self Storage Presents Santa's Secret Storage

Store your Christmas gifts for free with Santa's Secret Storage.

AURORA, ONTARIO, CANADA, November 8, 2018 /EINPresswire.com/ -- It's that time of year again. The weather is getting colder, the drinks are getting warmer and the Christmas shopping begins. Do your little snoops keep finding gifts before you get a chance to wrap them? Your closet may not have 24-hr surveillance, but we do.

For the 4th year running, Apple Self Storage has the perfect place to hide your Christmas gifts with Santa's Secret Storage. It's super convenient, easy to use, and most importantly its free! Direct your postage and courier deliveries to one of our 29 locations and we'll hold them for free up until December 24th. As a family-owned company of storage experts, we're offering this service as our holiday gift from our family to yours.

“We're so excited to be offering this amazing service again this year. The ability to shop online and not have to manage your schedule to be home to accept courier deliveries - or risk leaving those new Christmas presents on your porch is something that we've been offering to customers of Apple Self Storage for years, but during the Christmas season, it's exciting to be able to open it up not only for our customers but for anybody. It's our little way of trying to help busy Canadians, and keep prying eyes and fingers out of their Christmas surprises!”
