

Kidney Care Specialists Launch Regional Information Website

Redesigned Kidney Care of Michiana Website Provides Access to Multiple Trusted Resources on Kidney Disease, Dialysis, and Hypertension with Dietary Guidelines

MISHAWAKA, INDIANA, UNITED STATES, November 1, 2018 /EINPresswire.com/ -- Kidney Care of Michiana has announced the launch of a completely redesigned website with expanded content and providing authoritative information on [kidney disease](#), dialysis and hypertension along with appropriate dietary guidelines via some 40 links available from the new website at www.kidneycareofmichiana.com/health

Dr. Leslie Schmitz, DO said, "Our new website is designed to help our patients stay up-to-date with advances in kidney care methods and technologies while explaining the role our group plays in assisting them understand their care options and effectively manage their treatment protocols." See <https://www.kidneycareofmichiana.com/about>.

Kidney Care of Michiana engaged regional website developers Precept Partners on the redesign of the website. Stephen Antisdal of Precept said, "We worked closely with the staff at Kidney Care of Michiana to help explain what they do and share reliable health information in an easy to access format, on a tablet, smartphone, laptop or desktop computer."

“

Our new website is designed to help our patients stay up-to-date with advances in kidney care”

Dr. Leslie Schmitz
