

Autec Power Systems Has You Covered Through Fall and Winter

Waterproof and damp environment friendly power supply products.

WESTLAKE VILLAGE, CA, US, November 5, 2018
/EINPresswire.com/ -- AUTEK POWER SYSTEMS HAS YOU COVERED THROUGH WINTER OR FALL

Autec Power Supplies Suitable For the Challenging Demands of Seasonal Weather

Westlake Village, CA (November 5th, 2018) - Autec Power Systems announces the release of two power supply products ready to reliably power demanding product applications despite weather and environment. The "Leafy" LED Driver is robustly designed for outdoor LED lighting applications. This model is IP67 rated, UL Listed Class P/Type HL/TL and offered in 40W-400W models. Features include programmable output current, multiple dimming features; 0-10V/PWM/Timer/DALI/EMBEDDED DMX, and dim-to-off. The aluminum case is slim-line and linear.

In addition, "The Neptune", is Autec's IP68 rated industrial desktop power supply, appropriately named for it's suitability for use in wet locations. This power supply is offered in 6W and 12W models and comes with a waterproof harness and NEMA 5 AC Cord and Plug.
