

# Indiana Mesothelioma Victims Center Now Urges a Navy Veteran with Mesothelioma in Indiana to Call for Direct Access to The Nation's Leading Lawyers for Much Better Financial Compensation Results

NEW YORK, NEW YORK, USA,  
November 12, 2018 /

EINPresswire.com/ -- The Indiana Mesothelioma Victims Center says, "It is estimated that about one-third of all people diagnosed with mesothelioma in the United States this year will be Veterans of the US Navy. Typically, their exposure to asbestos occurred while on a US Navy ship, submarine, or at a US Naval Shipyard. Most frequently the Navy Veterans worked in a navy ship's engine room, as a machinist, welder, plumber, electrician, maintenance technician, or as a damage control technician. These types of US Navy Veterans typically had the most exposure to asbestos. There are tens of thousands of US Navy Veterans in Indiana.

"Compensation for Navy Veteran in Indiana like this can frequently exceed one million dollars as we would like to discuss anytime at 800-714-0303. To receive the best possible
