

New Mexico Mesothelioma Compensation Center Now Appeals to A Power Plant or Energy Worker with Mesothelioma in New Mexico to Call Them for Direct Access to the Nation's Top Lawyers for Compensation Results

NEW YORK, NEW YORK, USA, November 16, 2018 / EINPresswire.com/ -- The New Mexico Mesothelioma Center says, "We are urging a power plant worker or energy worker with mesothelioma in New Mexico to call us anytime at 800-714-0303 to ensure they have direct access to some of the nation's top mesothelioma attorneys. A delay in beginning the mesothelioma compensation process could result in the diagnosed person in New Mexico receiving less compensation. We are talking about what could be the loss of hundreds of thousands of dollars or more because skilled lawyers did not get involved soon enough." <http://NewMexico.MesotheliomaVictimsCenter.Com>

If a person in New Mexico has just received news of a confirmed mesothelioma diagnosis, please call the New Mexico Mesothelioma Victims Center anytime at 800-714-0303 so they can explain how the mesothelioma compensation process works.

As the group frequently says, "Please don't shortchange yourself when it comes to mesothelioma compensation because you didn't ask for help or waited too long-especially if you are a power plant or any type energy worker in New Mexico. If you, or your family member has mesothelioma and any of this sounds familiar, please call us at 800-714-0303 and we will try to walk you through your concerns or questions. Our top priority for a person with mesothelioma in New Mexico is that they get properly compensated." <http://NewMexico.MesotheliomaVictimsCenter.Com>

High risk work groups for exposure to asbestos in New Mexico include US Navy Veterans, power plant workers, oil refinery workers, civilian employees of the Defense Department, manufacturing, or industrial workers, plumbers, electricians, auto mechanics, machinists, miners, or construction workers. Typically, the exposure to asbestos occurred in the 1960's, 1970's, or 1980's.

The New Mexico Mesothelioma Victims Center would like to emphasize theirs is a statewide initiative available to a diagnosed victim anywhere in New Mexico including communities such as Albuquerque, Santa Fe, Taos, Rio Rancho, Las Cruces, Roswell, or Farmington.

For the best possible treatment options in New Mexico we strongly recommend the following health care facility with the offer to help a diagnosed victim or their family get to the right physicians at the hospital we have indicated:

* The University of New Mexico Cancer Center, Albuquerque, New Mexico:

<http://cancer.unm.edu/cancer/cancer-info/types-of-cancer/mesothelioma>

The states indicated with the highest incidence of mesothelioma include Maine, Massachusetts, Connecticut, Maryland, New Jersey, Pennsylvania, Ohio, West Virginia, Virginia, Michigan, Illinois, Minnesota, Louisiana, Washington, and Oregon. However, mesothelioma does happen in New Mexico.

“

"Call us at 800-714-0303 and we will try to walk you through your concerns or questions. Our top priority for a person with mesothelioma in New Mexico is that they get properly compensated." "
