*HR technology company makes list for second consecutive year*

AUSTIN, TX, UNITED STATES, November 8, 2018 /EINPresswire.com/ --

Recruiting solutions leader Talroo has been awarded a 2018 Top Workplaces

honor by the Austin American-Statesman. The list is based solely on the results of an employee feedback survey administered by Energage, LLC (formerly WorkplaceDynamics), a leading provider of technology-based employee engagement tools. The anonymous survey measures several aspects of workplace culture, including alignment, execution, and connection, just to name a few.

"What we hear again and again at Talroo is how great our people are" says Thad Price, CEO of Talroo. "Our employees believe in helping employers find the right talent, promoting our positive company culture, and supporting our rapid revenue growth. We're truly thankful to have such an engaged workforce, and we're happy to provide amazing opportunities in return."

Talroo offers competitive salaries, paid sick time, paid vacation, paid company holidays, 100% company-paid healthcare premiums, 401(k) retirement plans with 3% employer contribution, health saving accounts, free gym memberships, daily catered lunches, and more. In addition to perks, Talroo provides a unique culture of transparency and growth.

"Top Workplaces is more than just recognition," said Doug Claffey, CEO of Energage. "Our research shows organizations that earn the award attract better talent, experience lower turnover, and are better equipped to deliver bottom-line results. Their leaders prioritize and carefully craft a healthy workplace culture that supports employee engagement."
