CLEARWATER, FLORIDA, USA, November 8, 2018 /EINPresswire.com/ -- On Saturday September 29th, an eleven-man Way to Happiness Association of Tampa Bay volunteer team took the continuing issue of littering to heart cleaning up 45 lbs. of trash on [the Way to Happiness](#) -adopted Clearwater mile of the Pinellas Trail. The volunteers geared up with the needed supplies and equipment at their Clearwater office on Fort Harrison Avenue and then hit the trail picking up cans, bottles, and cigarette butts to name just a few of the items that were thoughtlessly discarded.

“We are dedicated to doing something about cleaning up the environment so as to help our community,” said the Executive Director of The Way to Happiness, Tanja Cranton.

The Way to Happiness volunteers were cleaning up the Adopted Mile of the Pinellas Trail in Clearwater taking action to protect and safeguard and improve the planet.

“

The litter which messes up the terrain and water supply, the dead brush which invites fire, these are things one need not contribute to and which, in otherwise idle moments, one can do something about”
