REALTOR® Holly Gorman has guided her clients through nine transactions totaling over \$2.3 million in sales production for the month.

Her clients raved about her, "Holly was on top of every detail and very responsive to everything that needed to be addressed, including a few "surprises" that could not have been foreseen. Throughout it all, she was unflappable and congenial. She made everything easy. She was a knowledgeable adviser who knows the local real estate market very well and she was a good sounding board as she guided us in finding the 'perfect' place for us. Holly also connected us with

other professionals (mortgage broker and real estate attorney) who completed our team of experts. Holly quite literally provided a one-stop point of contact for all our needs. And she did it all with grace and unassuming skill. She took the hassle out of what can be a very stressful activity. We are delighted to recommend her to friends and family or anyone who is looking for a great real estate professional in the Vero Beach area," James and Sharon Hogan, Vero Beach.

A Vero Beach resident for more than 30 years, Holly Gorman has the local expertise to assist her clients through the always changing real estate market.
