ABOUT CLAYTON MORGAN: Based in Dallas, TX, Clayton Morgan released his critically acclaimed single, "Taste For Love" back in June. The son of Four Sonics member, Eddie Daniels, Morgan has proven to be one of the most original and talented new artists to come out of the area, this year.

Music played a big role in Clayton Morgan's upbringing, both at home and at school. Clayton was regularly part of school musicals, choir groups and drama clubs. Outside of school, he always looked up to his father as his mentor and was also heavily influenced by a wide range of singers, including Michael Jackson, Janet Jackson, Prince, Madonna and Whitney Houston, to name a few. All of these ingredients combined, have no doubt, been the main contributing factor toward Clayton's unique and authentic vocal style.
