LOS ANGELES, CALIFORNIA, UNITED STATES, November 9, 2018 /EINPresswire.com/ -- [Rudy L. Kusuma Home Selling Team](#), top-notch real estate selling and buying company, is proud to announce their mission – to Elevate People’s Lives. One of the ways to turn this goal into a reality is by giving back to the community. This allows them to give the underprivileged a hand and enable them to alleviate their present financial status.

With the years of success in the industry, they want to be a part of a worthy cause. However, doing it alone can be a complicated process. Thanks to their long-term partnership with others. They partner with two non-profit organizations with a common goal to help children and families who are in need. Without their holistic support, this charitable cause won’t be a success.
