

Rydex Direct Announces Global Launch of Qivaro Brand

Rydex Direct has announced the official launch of Qivaro – an American brand that originally started on Amazon and other online retailers.

ELMHURST, NEW YORK, UNITED STATES, November 11, 2018 /EINPresswire.com/ -- Rydex Enterprises, LLC. D.B.A. Rydex Direct has announced the official launch of [Qivaro](#) – an American brand that originally started on Amazon and other online retailers. Its products include a variety of superfoods like the brand's flagship products Ultra Superfood Greens and Reds. Since its establishment in 2002, Rydex has been committed to the development of innovative technology and to provide consumers with potent formulas that target specific pain points. We are excited to take our brand Global, the health industry shows no signs of slowing down and our expansion into the American market will help solidify Qivaro as a key player in this billion dollar industry. - Roland Lee, Co-Founder/Director Now, following rave reviews online, the brand is launching globally and directly to consumers on its website

Qivaro.com. Qivaro has been featured as one of the top products to watch for 2019 in Scrubs Magazine, America's leading lifestyle magazine for the medical community and has a host of influencers behind the brand.

Qivaro Ultra Super Food Greens is its latest product and is a powder with alkalizing veggie greens and antioxidant-rich fruits. It is low-glycemic, great for diabetics, has no added sugar, and no artificial flavors, colors, or preservatives. The product also has detox, energy, alkaline, enzyme, and probiotic properties designed to improve weight loss, promote healthy digestion, and offer important vitamins for immune health.

Qivaro is focused on encouraging a healthy, balanced lifestyle. Full of antioxidant-rich fruits and alkalizing greens, the supplements offer vitamins and minerals in a natural raw formula. Other products under the Qivaro name include healthy joint complexes, heart health supplements, MCT oil, blood pressure and circulatory supplements, coconut oil, omega 3 formulas, and more.

'We have over 20 categories of products from health to sports supplements. Our entry into the Global market addresses all the major needs of today's healthy individual.' - Lawrence WC Lau,

Co-Founder/President

The brand prides itself on featuring American-made products that include non-GMO ingredients and are GMP and USDA certified. For more information on Qivaro, please visit www.Qivaro.com.
