

# NEW COLOR OPTIONS FOR SELECT SAFE-WAY DOORS

*Continuing their commitment to quality and innovation.*

WARSAW, IN, UNITED STATES,  
November 12, 2018 /  
EINPresswire.com/ -- [Safe-Way Door](#),  
an American company, announced  
today that it's [Regency](#) and [Ambient  
doors](#) are now available in Driftwood in  
the Madera color palette.

"As more and more consumers look toward their home being an extension of their personality, manufacturers need to adapt with more offerings", says VP of Sales, Billy Thompson. "And that is exactly what Safe-Way has been doing this year. Driftwood is the third new color we have introduced in 2018 as we continue to meet consumer desire to personalize and beautify the exterior of their homes."

“

As more and more consumers look toward their home being an extension of their personality, manufacturers need to adapt with more offerings - and that is exactly what Safe-Way has been doing this year"

*Billy Thompson*
