About Wells Of Life

Wells of Life is a Christian non-profit organization that provides access to clean, sustainable drinking water for the rural communities of Uganda. Our focus stems from the desire to improve their quality of life, one well at a time. We're committed to using all our available resources to help people access this basic human need. Every well provides an opportunity to share the gospel in word and in action. Our vision is a world where access to clean water is no longer an obstacle to living a healthy and productive life.
