

# National Drug Screening Announces Alliance with DrugTestingCourses.com

National Drug Screening, Inc. announces New Computer-based Online Training Portal, [www.MyDrugTestTraining.com](http://www.MyDrugTestTraining.com), in partnership with Drug Testing Courses dot com.

MELBOURNE, FL, UNITED STATES, January 7, 2019 /EINPresswire.com/ -- Education in the drug testing industry is critically important to comply with regulations and to have highly trained qualified personnel managing the complexities of employment drug and alcohol testing. [National Drug Screening](#) (NDS) has recognized that the online training and certification courses offered by [DrugTestingCourses.com](#) (DTC) are simply the best the drug testing industry has to offer.

NDS has formed an alliance with DTC so that NDS can offer the DTS drug and alcohol testing online course to over 1500 NDS customers. In addition, Joe Reilly President of National Drug Screening has agreed to serve as a compliance advisor to [DrugTestingCourses.com](#) regarding regulatory matters and industry best practices. Reilly is considered a national expert in workplace drug testing.

“After extensive review of the DTC online courses and multiple meetings with DTC Founder Andrew Easler; I am convinced that these courses provide the best education needed for those entering and those experienced in the drug testing industry” said Joe Reilly, President of National Drug Screening. “These online courses are not only engaging but have been developed by highly trained and competent education professionals holding degrees in education with years of industry experience. I look forward to this alliance with the premier online training system that has been developed by Andrew Easler and his team at [DrugTestingCourses.com](#)”

“

I am convinced that these courses provide the best education needed for both those entering and those experienced in the drug testing industry.”

Announcing alliance for online training portal

National Drug Screening is a nationwide third party administrator (TPA) of drug testing services for regulated (DOT) and non-regulated employers. NDS President Joe Reilly has been helping employers and drug testing professionals as a consultant and trainer for over 20 years. These courses will help Designated Employer Representatives (DER) fulfill their responsibilities as the drug & alcohol testing managers of their drug free workplace programs. Supervisors will be able to effectively understand how to professionally deal with reasonable suspicion situations where by an employee is showing signs or symptoms of potentially being under the influence of alcohol or illicit drugs. Additionally the DTC online courses help collectors become certified for their DOT urine specimen collections and help those entrepreneurs who want to start a drug testing business.

DrugTestingCourses.com has an online school, course content and learning management platform which was designed with the modern professional in mind. Andrew Easler, DTC Founder has designed the online school and courses to embrace the dynamic educational standards of today's workforce. Many of the courses offer are approved for continuing education credits, which means they have met very high standards by the top accrediting substance abuse institutions. Technology, value and interest are the three distinct categories of educational practices focused on by DrugTestingCourses.com.
