Background: Spa Sonic PRO Skin Care System - 8-piece professional kit

From the makers of Spa Sonic, introducing the latest advance in skin care technology, the new Spa Sonic PRO Skin Care System - 8-piece Professional Face and Body Polisher is equipped with 2 speeds ideal for all skin types. This professional cleansing system is proven to cleanse 6x deeper than hand washing alone. The Spa Sonic PRO proved comparable in results and durability to the Clarisonic Plus in a study conducted by the leading independent consumer laboratory (2014). Consistent use of the Spa Sonic PRO can result in a smoother, clearer, softer and more radiant complexion. The patented ergonomic design offers great handling and operates with 5 attachments: a large ultra-lush brush for body cleansing, small ultra-soft brush for face cleansing, pumice stone for rough areas like heels and elbows, facial buffer sponge for moisturizer absorption and our exclusive pore minimizing micro-silicone brush. This deluxe kit includes a luxurious and convenient plush storage/travel tote. The Spa Sonic PRO has already become the device of choice at leading high-end spas and salons, as well as with celebrities, models, estheticians, and makeup artists.
