"Russia is one of the most lucrative and important modern digital investment markets in the world. We have seen very strong interest in our set-up services and packages, which serve the needs of a modern entrepreneur."

"Innovation is a priority for both their countries and the trade organisations and business community in Russia recognise our efforts in enabling a customer friendly and creative business hub."

The senior management of Ajman Media City Free Zone held consultative meetings with a large number of Russian trade organisations, investment consortiums and CEO's and businessmen who specialize in the field of media and digital investment to discuss joint partnerships and bilateral agreements that benefit the Russian businesses and establish Ajman Media City Free Zone as a preferred destination in the UAE.

His Excellency Mahmoud Khalil Al Hashemi, Executive Director of Ajman Free Media City shared that within few months of launch, Ajman Media City Free Zone (AMCFZ), is supporting the local economy of Ajman and UAE by attracting new companies, and active trade interests from

chambers, trade organisations and investment hubs from key markets.

Al-Hashemi stressed AMCFZ management is committed to support investment in the fields of media and provide the ground for the growth of companies and development on the basis of instilling a culture of innovation and emphasizes the leadership's understanding of the role in supporting the local economy.

IN another significant step, Ajman Media City Free Zone has signed a marketing representation agreement with a leading international marketing consultant, Consol & Associates, in Russia and with branches in Moscow, Dubai, Cyprus, London and Uzbekistan to support its international network.

His Excellency Mahmoud Khalil Al Hashemi, Executive Director of Ajman Free Media City further added: "We believe in the importance of strategic partners and marketing representation who extend the highest level of service, commitment to our visions and enhance competitiveness of AMCFZ in a fast moving marketplace."
