

TechWise Group Secures Funding to Grow its Microsoft Cloud Solutions Business

TechWise Group announces new investment from Saltbrook Capital Partners, LLC

PHILADELPHIA, PENNSYLVANIA, UNITED STATES, November 29, 2018

/EINPresswire.com/ -- TechWise Group, a leading [Microsoft Gold Partner for Cloud Solutions](#) focused on delivering technology solutions to small and medium enterprises, non-profit and education organizations, announced today that it has secured investment from Saltbrook Capital Partners, LLC. This funding will enable TechWise Group to further expand its offerings around cloud solutions including [Microsoft 365, Dynamics 365, Azure, Enterprise Mobility + Security](#) and Windows 10, as well as comprehensive support and project services for its clients.

Expanding these capabilities will allow our clients to more fully realize the benefits of their investments in Microsoft cloud technologies"

Lauren Schwartz

TechWise also announced the appointment of Amanda Barbour as Chief Operating Officer and Board Member. Ms. Barbour was previously Chief Financial Officer for BlueMetal Architects and has worked extensively with technology startups in the small and medium enterprise space. Lauren Schwartz will remain CEO and Chair of the Board, continuing TechWise Group's tradition as a women-

led organization.

"This investment allows us to accelerate our growth and enhance our offerings, with a focus on business value realization, adoption and security," said Lauren Schwartz. "Expanding these capabilities will allow our clients to more fully realize the benefits of their investments in Microsoft cloud technologies."

Don Koscheka, founding partner of Saltbrook Capital Partners LLC, commented on the investment. "We recognize the significant investments that Microsoft is making in cloud solutions that empower organizations to digitally transform their businesses in order to gain access to new markets and to improve their customers' experiences. The TechWise Group's success in using Microsoft cloud solutions to help small and medium organizations achieve their goals warrants our investment so that more customers can benefit from what they have to offer."
