

Aruba Airport to Deliver Briefing at the 12th Annual Border Security Conference

SMi Group Reports: The 12th annual Border Security Conference will return to Rome, Italy on the 12-13 February 2019

LONDON, UNITED KINGDOM, November 29, 2018 / EINPresswire.com/ -- With the world's leading airports adopting the application of biometric technology to achieve 'seamless and autonomous' border controls; as demonstrated by Aruba Airport's Happy Flow, the first 100 per cent self-service passenger experience, based on traveller-centric biometric technology, from kerb to boarding.

SMi Group are delighted to announce that Aruba Airport have confirmed they will be delivering a briefing at this year's, [12th Annual Border Security Conference](#):

Ms. Annette Steenbergen, Coordinator Happy Flow and Preclearance, Government of Aruba

Presenting: 'Happy Flow': Enhancing Customer Experience While Ensuring Border Security with Innovative Border Technology

- Contemporary capacity and security challenges facing the airport industry and the role of technology in solving these
- Developing a passenger centric, seamless, secure, safe and financially sustainable airport ecosystem
- Creating passenger profiles by establishing a reliable chain of identity between airport stakeholders
- How to create this public private cooperation between stakeholders and address privacy/GDPR concerns
- Looking towards the future of Happy Flow as an international initiative

The [full agenda](#) is available to download at: <http://www.bordersec.com/ein>

Taking place on the 12th and 13th February 2019 at the Crowne Plaza St Peter's Hotel & Spa, Rome, Italy, Border Security 2019 will provide the perfect platform to learn from and network with a high calibre audience who will discuss technological solutions and political strategies to implement next generation capabilities to secure land, air, and sea borders in response to

growing global threats.

There will also be an evening networking reception hosted by Vancouver Airport Authority day-one at the conference.

The £100 early bird offer will expire on the 14th December.
