

MSI Moves to New Office in Charlotte, NC

Maintenance Specialists, Inc. is expanding its presence in Charlotte, NC with a new office space that allows for expanded services and improved client support.

CHARLOTTE, NC, UNITED STATES, November 30, 2018 /EINPresswire.com/ -- Maintenance Specialists, Inc. ([MSI](#)) today announced its new office location in northwest Charlotte, NC. The new, expanded location at 2828 Queen City Drive Suite E will allow MSI to offer new and improved [services](#) to its growing list of commercial and residential clients.

MSI has seen huge growth in the past few years. The new office is an important step toward our goals for growth. We want to support our clients with a great team and a large menu of services."

Nick Ventry

"MSI has seen huge growth in the past few years," says Nick Ventry, Managing Director. "The new office is an important step toward our goals for growth."

MSI began in 2012 as a small team supporting residential communities in the Charlotte area. It has quickly grown to a full-service commercial maintenance company serving

clients across North and South Carolina. With this new location, they have expanded their team of specialists and support personnel. The larger staff has enabled MSI to take on larger clients, offer new services, and provide timely, friendly support for all clients big and small.

In addition to general handyman work, MSI is now able to offer full commercial preventative maintenance, plumbing, electrical, and cleaning services. Starting in 2017, MSI has also been offering snow plow services in the Charlotte area. They hope to grow their fleet and take on more clients this year.

"We want to be the go-to guys for all our clients," Ventry says. "So we want to make sure to support our clients with a great team and a large menu of services. We can do it all."

2018 has been a huge year for MSI. With a new office and expanded list of services, they hope to finish the year strong.

About MSI: Maintenance Specialists, Inc. has been providing quality commercial and residential maintenance services since 2012. MSI was established on a foundation of efficient service, exceptional value, and experienced staff. Our promise is to bring these principles to all interactions we have with our valued clients.
