

LIFESTART ANNOUNCES THEIR NEWEST LOCATION IN BOSTON

LifeStart is excited to announce their newest corporate location in Boston.

BOSTON, MA, USA, November 30, 2018 /EINPresswire.com/ -- [LifeStart](#) is honored to be selected to provide a fun and innovative approach to [corporate fitness](#) center management, including engaging programming targeted at the entire employee population and integrated wellness services provided by specialized health professionals. The implementation of LifeStart's specialized programs and services as well as the provision of more specialized health professionals, will help our client create a fun workplace culture that continues to thrive.

LifeStart uses the onsite fitness center as the Hub for health and well-being, and expands their offerings beyond typical fitness tasks. Instead the focus is on providing opportunities for employees to improve their health and well-being.

The onsite center is fully-staffed with an onsite Health Coach, RDL, Exercise Professionals, and over 16 various group exercise classes per week.

LifeStart continues to expand their presence in the Northeast with more centers coming online in the next 30-days.

About LifeStart Wellness Network

Founded in 1991, LifeStart provides premium corporate fitness solutions to established companies and enterprises ranging from small business to Fortune 500 brands. The company has seen extraordinary growth over the past three years, now operating 80 sites in 13 states nationwide. LifeStart has more than 27 years of experience in designing, developing and operating hospitality-focused amenities for our nationwide customer base. As a service-driven company that believes in consistently delivering the best experience at work, our stunning, design-driven centers and best-in-class services install a sense of pride in our customers and empower our members to achieve their best each day.
