

Better Branches Technology Releases Latest Version of Better Lobby

Version 6.9 adds many new features and functionality specifically tailored to Credit Unions

SAN TAN VALLEY, AZ, USA, December 3, 2018 /EINPresswire.com/ -- Better Branches Technology, a provider of branch visitor queuing and appointment handling software for credit unions, announced the Version 6.9 release of their Credit Union industry-leading Better Lobby visitor management system. Enhancements in the latest version provide credit unions with an improved Better Lobby user interface, advanced appointment scheduling capabilities, and more flexible branch video appointment scheduling options.

Interest in our Mobile Appointment Booking Tool module continues to grow as credit unions look to offer their members self-service online and mobile appointment scheduling."

Rick Poulton

Version 6.9 adds the following new features:

- oNew Manual Appointment features
- oEnhanced Appointment Assistant
- oImproved Outlook integration for Better Lobby web

calendars

oVideo Meeting Queue Module (VMQ) enhancements

Rick Poulton, President of Better Branches Technology, states that "existing clients have significantly influenced the enhancements included in this version. It is their feedback and input that guides the evolution of Better Lobby Solution." Poulton adds "Interest in our Mobile Appointment Booking Tool module continues to grow as credit unions look to offer their members self-service online and mobile appointment scheduling. Our staff-facing Appointment Assistant feature has also been enhanced so that contact center and branch employees can easily set appointments for members with other CU staff."

About Better Branches Technology
