

Dunlap, Bennett & Ludwig Expands with DBL Asia Office Opening in Beijing

Dunlap Bennett & Ludwig, a leading corporate and intellectual property law firm proudly announces its expansion into China with opening of DBL Asia in Beijing.

WASHINGTON, DC, UNITED STATES, December 3, 2018 /EINPresswire.com/ -- Dunlap Bennett & Ludwig, a leading [corporate](#) and [intellectual property](#) law firm with law offices across the U.S., Puerto Rico, London and Toronto, proudly announces its expansion into China with opening of DBL Asia in [Beijing](#). Erick Robinson is the lead DBL employee in Beijing, managing DBL's affiliation with Intellegstragy. Robinson and colleague Dragon Wang are joining DBL as Partners and will be leading the Beijing office with a focus on Patents.

DBL Founding Partner Thomas Dunlap welcomes Robinson and Wang to the firm, stating, "As a leading intellectual property and business law firm assisting clients with high stakes litigation and the prosecution of thousands of patents each year, we are excited to partner with Erick and Dragon to open DBL Asia and the affiliated office in Beijing, China. Erick and Dragon bring years of experience in global patents and cross-border patent litigation and a team of four additional Chinese patent and intellectual property attorneys to DBL. I am thrilled to welcome them as they join our team of other experienced patent prosecutors and litigators to expand DBL's worldwide patent work."

Erick Robinson is a qualified US patent attorney with over 20 years of experience in cross-border patent litigation, portfolio management, prosecution, monetization, anti-trust and related matters. He has a technical background in computer science and physics, as well as biotechnology, pharmaceuticals, and oil & gas. Mr. Robinson has been repeatedly named one of the Leading 300 IP strategists worldwide by Intellectual Asset Management (IAM). He has been quoted on Chinese patent and antitrust issues in publications including the Wall Street Journal, Financial Times, IAM, Intellectual Property Magazine. Additionally, Mr. Robinson is the publisher of the award-winning China Patent Blog.

Dragon Wang, Partner, DBL Asia

Dragon Wang is a patent attorney qualified by CNIPA, and a patent litigator qualified by the Supreme People's Court of China. He has more than 18 years experience in the field of patents, and has provided counseling and strategic planning in creation, enforcement and commercialization of Chinese patent portfolios for numerous Fortune 500 corporations. Mr. Wang specializes in managing patent matters in a variety of technical areas including automotive and automation, wireless technologies and IoT, Telecommunication, and more. He handles a full spectrum of patent-related work, including patent prosecution, re-examination, invalidation actions, and administrative and civil litigations, with a recent focus on patent monetization. A frequent speaker at IP seminars and academic events, Mr. Wang has also written many articles regarding protection and enforcement of Chinese patent rights.
