

Cedar Management Group Expands Staff and Leadership

Carolina-based HOA management company, Cedar Management Group, announces expanded staff and leadership to better serve their growing roster of communities.

CHARLOTTE, NORTH CAROLINA, US, December 4, 2018 /EINPresswire.com/ -- In response to continued growth over the past year, Cedar Management Group (CMG) announces the expansion of their staff and promotion of several seasoned [team members](#) to leadership positions. The Carolina-based HOA and [community management](#) company is certain this move will help them support their client base and place them in a better position for potential future growth.

“

All of our new leadership positions are being filled by industry veterans that have a deep history with our company.”

Paul Greiner

“The past year has been very good for Cedar,” says Paul Greiner, President at CMG. “Our hard work and continued

focus on service has earned us growth in all areas of our service footprint. We want to take steps now to ensure that our client base continues to receive the highest levels of service and that we are well positioned to accept new clients as we work to grow our company.”

Vernon Kline, previously an Area Manager at CMG, has been promoted to Director of Community Management. In his new role, Mr. Kline will oversee and support all of the community managers and area managers in the company. Mr. Kline has 10 years experience in the HOA management industry, working his way up from being an on-site manager to his current role.

Courtney Grady, previously Finance Manager at CMG, has been promoted to Director of Operations. In this role, she will be taking on more responsibilities to ensure smooth internal operations of CMG. She will continue to be heavily involved in the day-to-day activities of the accounting department as well.

Rebekah Gonzalez has been promoted to Operations Support Manager. In this new role, Ms. Gonzalez’s previous role of [Maintenance](#) Manager will be expanded to include oversight of the support, transitions, and operations departments in addition to the maintenance division.

“Cedar believes in nurturing and rewarding our top talent,” says Greiner. “All of our new leadership positions are being filled by industry veterans that have a deep history with our company. Service is the key at Cedar and we want to ensure that our focus stays on taking care of our clients and providing the highest level of service options in the industry.”
