

N.C.B. Employees Co-operative Credit Union Ltd. Opts for Smart Solution's Universa Premier Digital Core Banking Suite

Smart Solution's flexible, feature-rich and cost-effective state-of-the-art suite of products enables and fully supports evolving member service strategies

AURORA, ONTARIO, CANADA, December 5, 2018 /EINPresswire.com/ -- [Smart Solution](#) is very pleased to announce that [N.C.B. Employees Co-operative Credit Union](#) Ltd. (NCBECCU) has signed a binding agreement to convert to Smart Solution's [Universa](#) Premier Digital Core Banking Suite. The Universa software is an innovative, browser-based digital banking platform that encompasses the latest technological advances and security.

As a leading fintech provider of banking and financial management solutions, Smart Solution is well positioned to offer its innovative products to financial institutions internationally. With this agreement, NCBECCU will migrate from an existing legacy platform to join Smart Solution's rapidly growing Universa client base in Jamaica. NCBECCU's addition to Smart Solution's growing list of Universa clients, continues to enhance and solidify the reputation of Universa as one of the most prominent contenders in leading-edge digital banking platforms in North America, Central America and the Caribbean.

Universa's agile, rapid release development process enables Smart Solution to quickly translate client business needs or new ideas into customizable system functionalities. Access to Universa's highly configurable functionalities is under the client's full control by means of Universa's security framework. The possibilities for customization are endless and new additions are seamless.

"As we consider ourselves not only member-focused and socially responsive but also technology-driven, N.C.B. Employees Co-operative Credit Union is very much looking forward to partnering with Smart Solution, in order to strengthen and modernize our infrastructure as well as to enhance the technological aspects of the various services we offer to our members. We believe that this migration to a new platform will benefit our existing as well as any new members, who are interested in the "fintech edge" to bolster their financial strategies", noted N.C.B. Employees Co-operative CU's General Manager, Mrs. Joan Garfield. "We remain critically focused on our mission 'To build wealth for our members!'", added Mrs. Garfield.

"We are delighted that NCBECCU has chosen to convert to our growing family of financial institutions using the Universa platform to support its member service strategies," stated Ilean Tait, President and CEO of Smart Solution. "This is a major transition for NCBECCU as it migrates away from a legacy platform to a cutting-edge modern digital platform. We are confident that the Universa platform will enhance NCBECCU's ability to deliver on its mandate. As technological excellence is the backbone of any institution, having selected Universa is a testimony to its

scalable architecture, flexibility and rich functionality,” added Ilean Tait. “Many institutions are looking for ways to keep up with new and emerging market technologies; the switch to Universa will provide them with the needed tools to meet those challenges and embrace the future.”

About N.C.B. Employees Co-operative Credit Union Ltd. (NCBECCU)

Back in April of 1992, a couple of employees of the National Commercial Bank launched the idea of starting a Credit Union for the bank’s employees. Once approved by the Bank, the concept was expanded to include the employees of all banks and later also the employees of legitimate and registered non-banking financial institution. And so, the N.C.B. Employees Co-operative Credit Union Limited became a reality with a starting Share Capital of JMD \$398M and some 550 Members. Today, NCBECCU proudly manages assets in excess of JMD \$1.7 Billion.
